

## SANTANDER GROUP

### Erasmus Mundus Master Courses and Joint Doctorates involving SG members

Co-ordinators	Master Courses	Joint Doctorates
<b>University of Ghent</b>	-International Master of Science in Rural Development -International Master of Science in Fire Safety Engineering	
<b>University of Liège</b>	-European Education in Advanced Ship Design	
<b>University of Porto</b>	-German Literature in the European Middle Ages	
<b>University of Rennes 1</b>	-Master in Material Science Exploring European Large Scale Facilities	
Partners	Master Courses	Joint Doctorates
<b>Eindhoven University of Technology</b>	-Environmental Pathways for Sustainable Energy Systems	-Interactive and Cognitive Environments
<b>University of Ghent</b>	-European Master in Law and Economics -Common European Master's course in Biomedical Engineering	
<b>University of Gothenburg</b>	-Complex System Science	
<b>Joseph Fourier University of Grenoble</b>	-Erasmus Mundus Master in Nanoscience and Technology -Masters in Earthquake Engineering and Seismology Engineering	
<b>University of Liège</b>	-Erasmus Mundus Master's Course in Turbomachinery Aeromechanic University Training	-Joint Doctorate Studies in Functional Materials for Energy, Information, Technology, and Health
<b>University of Malta</b>	-International Master in Early Childhood Education and Care	
<b>Norwegian University of Science and Technology</b>	-European Master Embedded Computing Systems	
<b>University of Patras</b>	-Masters in Earthquake Engineering and Seismology Engineering	
<b>University of Porto</b>	-Euromaster in Theoretical Chemistry and Computational Modelling	
<b>Rovira i Virgili University</b>	-International Master in Quaternary and Prehistory	
<b>Technical University of Valencia</b>	-Master International "Vintage", Vine, Wine and Terroir Management	
<b>University of Wrocław</b>	-Global Studies – A European Perspective
